

Showcase projects under the “Featured” section of your profile. This allows employers to see actual work you’ve completed that might not otherwise be available to them in job searches or interviews.

*LinkedIn Tip #1*

**Add a short bio in your "About" section. Use it to describe what positions you are interested in and to showcase more about yourself as a person to potential employers.**

*LinkedIn Tip #2*

**Make sure all education  
and experience on your  
LinkedIn profile is  
accurate and up-to-date.**
