CAA's SECOND GRADE
2022-2023

MR. SMITH'S CLASS

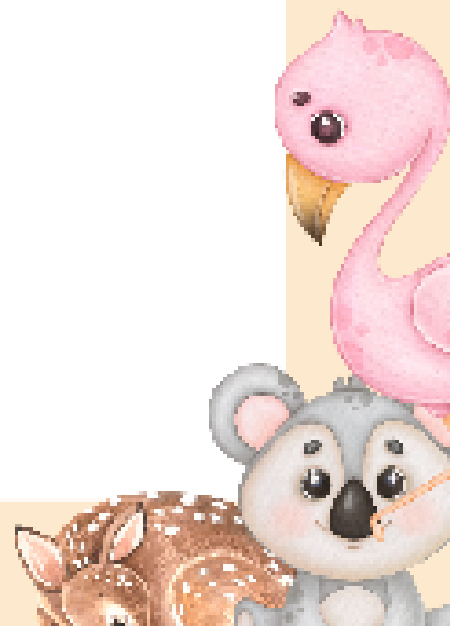

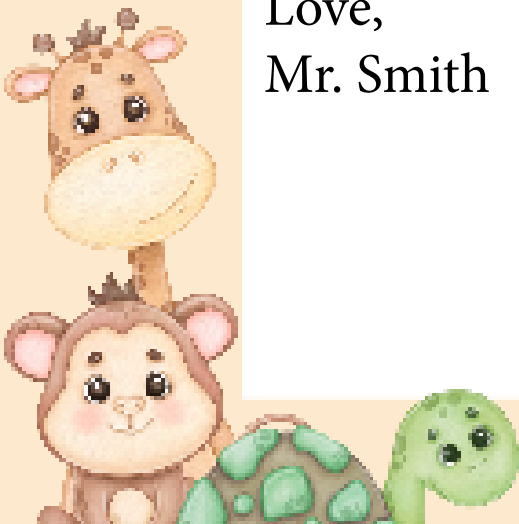

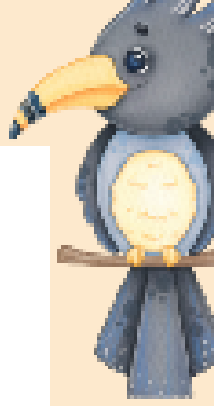

Dear Class,

I have really enjoyed being your second-grade teacher! It has been such a joy to watch you learn and grow so far this school year. One of my favorite projects to help you complete has been creating the book with the help of Clemson University's Pearce Center Students.

I really enjoyed watching you research animals and learn about how they live and survive in their own habitats. I hope that you enjoyed researching your animals and learned something new and interesting.

I hope that in my classroom that you have loved learning and that will inspire you to become a life-long learner that will help you be successful wherever life takes you!

Love,
Mr. Smith
